

Zelle Instructions for Grand Junction Newcomers Club

We are happy to announce that you can now make payments for GJNC events and dues via Zelle. If you already have a Zelle account with your bank you can add **gjnewcomers** (as a token not email address) to your recipients list and with a couple of clicks the money will be sent directly to the GJNC bank account. Please remember to add a memo line indicating what you are paying for.

If you do not have a Zelle set up with your bank, you can go to Zelle.com, find your bank and it will lead you through the steps. You can also do it through your banking app or bank webpage. These transfers are bank to bank and safer than using Venmo or Paypal.

Once you have an account set up follow these steps to send your first payment.

Click on add new recipient, fill in recipient's name (this is for your reference) and the Zelle tag for gjnc (gjnewcomers), then click the add recipient (blue bar).

Keep your money safe.

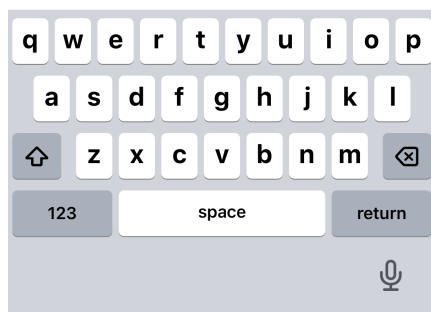

Use Zelle® only with people you trust.
